### **13.12.460 – Pretreatment facilities**

Users shall provide wastewater treatment as necessary to comply with this chapter and shall achieve compliance with all categorical pretreatment standards, local limits, and the prohibitions set out in this chapter including Sections 13.12.400, 13.12.410, 13.12.420, and 13.12.430 within the time limitations specified by EPA, the State, or the Director of Public Works, whichever is more stringent. Any facilities necessary for compliance shall be provided, operated, and maintained at the User's expense. Detailed plans describing such facilities and operating procedures shall be submitted to the Director of Public Works for review, and shall be approved in writing by the Director of Public Works before such facilities are constructed. The review of such plans and operating procedures shall in no way relieve the User from the responsibility of modifying such facilities as necessary to produce a discharge acceptable to the City under the provisions of this chapter.
